Kitchen Disco

The children have now finished their topic of Kitchen Disco. They have had so much fun, exploring fruit and vegetables, Painting with fruit and vegetables and chopping them up, to see what they look like.

We have ended each with week with a yummy activity.
At the end of week one, we made yummy healthy smoothies.
At the end of week two, we made vegetable soup.
The children loved tasting these healthy snacks and had so much fun making them.

Thank You

We would like to thank all of our families, for taking part in last weeks sponsored event.

Thank you all, for your kind donations, we are overwhelmed with the generosity and support we have received from our families.

We are truly grateful and exceptionally lucky.

Weather Appropriate Clothes

The weather is now becoming very cold.
Please ensure children are arriving wearing weather appropriate clothes, Hats, Scarves, Gloves and Wellington boots on rainy days.

If children are not dressed appropriately for the weather, we may have to limit their access to outdoors, to keep them protected.

We thank you for your ongoing support with this matter.

Health and Safety

Please can we ask you not to send your child into the setting if they have been given Calpol or any other paracetamol medication.
Medication will only mask children's symptoms and once the medication wears off, we can see considerable changes in children's moods and behaviour.
Whilst we appreciate it is important for children to attend Nursery, keeping the setting a positive experience for the children is also extremely important. If children are sent in unwell this can become a negative experience and set them back.

We thank you for your support and co-operation with this matter.
