This is a part of history, and if you take part in any special events over the course of the day, please take some pictures and email them to us childcareplus@fordbridge.solihull.sch.uk
These images can be printed off and added to our board.

Family Photos

Please can we ask you to send family photos in, for us to put on the family boards in the rooms. These photos help settle the children and make great topics of conversation, allowing your child to explore their speech.

Appropriate Clothing

Please ensure your child comes to the setting dressed in weather appropriate clothing, with hats, gloves, scarfs, wellingtons/waterproof shoes and warm coats on cold/wet days. The weather is not too cold yet, but is most certainly wet.
Please ensure all items are clearly labelled with your child's name in them.
If children arrive to the setting who are not dressed appropriately for the weather, we may need to keep them inside to ensure their safety.

We thank you for your continued support.

Health and Safety

The weather has now started to change and is very wet, resulting in children more likely to catch viruses and colds.
Please can we ask you not to send your child into the setting if they have been given Calpol or any other paracetamol medication.
Medication will only mask children's symptoms and once the medication wears off, we can see considerable changes in children's moods and behaviour.
Whilst we appreciate it is important for children to attend Nursery, keeping the setting a positive experience for the children is also extremely important. If children are sent in unwell this can become a negative experience and set them back.

We thank you for your support and co-operation with this matter.

PTA- We are now looking for new members. To get involved contact us using the below information. You can give as much or as little time as you want to.
