

Year 6	Aut 1	Aut 2	Spring	Summer
Science	Evolution and inheritance	Light	Hearts and Lungs	Classification
History	<u>Crime and Punishment</u> Changes in an aspect of social History (moral implications of crime and punishments and how they have changed) Historical Enquiry • Address and devise historical questions. Historical Interpretations • Make confident use of a variety of sources for independent research. Understand how our knowledge of the past is constructed from a range of sources.	<u>World Wars (Whittington Barracks trip)</u> Chronological understanding and understanding of events, people and changes. • Global and Local History • Select, organise, summarise and present relevant information in a variety of ways. • Describe the negative and positive impacts of a period of history on modern day society. <u>Introduce World War 2</u>	<u>Anglo Saxons and Scots</u> Roman withdrawal from Britain in AD410 Scots invasions from Ireland to north Britain Christian Conversion Anglo Saxons Invasions, settlements and kingdoms place names and village life	
Geography	<u>Extreme Earth</u> Looking at a variety of natural disasters and evaluating their impact around the world. • Using maps and accurate knowledge, assess where the disasters centre and why this may be. • Reflect on the impact past disasters have on the modern	<u>Our Locality</u> • Impact on local area including Birmingham and Coventry • Use interactive maps of where bombs were dropped in London. • How has land changed over time? • Ordnance survey maps and sketch maps • How have these events positively influenced on lives today? • Street view - how has it changed?	<u>Our World Matters.</u> Locational knowledge - South America identify the position and significance of latitude, longitude, equator, northern and southern hemisphere, the tropics, the arctic circle and time zones. Consider how people can impact on the environment (vegetation belts/ biomes). Land use, economic activity including trade links, distribution of resources. Bean to Bar Project	

	world - how have they changed the world's landscape? • How people have dealt with disasters and how this has influenced society today. • Tectonic plates/earthquakes • Ring of Fire • Wildfires/droughts				What is the impact of the things we buy? Pros and cons of fair trade	
Computing	We are Presenters	Technology and Networking		We are Excel-lent	We are Game Designers	
RE	What is the best way for a people of faith to show their commitment to their deities?	Creation Stories	Is anything eternal?	Is Christianity still a strong religion over 2000 years after Jesus was on Earth?	Compare and contrast the core values of different faith systems.	Compare and contrast What can be learnt about different religious/significant figures from holy books and other sources?
PSHE/SMSC	Being me in the world	Celebrating difference	Dreams and goals	Healthy Me	Relationships	Changing Me
	KIVA ANTI BULLYING PROGRAM/SMILE (Health and Wellbeing Program)					
PE	Multi Skills	Rowing and Hockey	Gymnastics Basketball	Dance Tag Rugby	Tennis Cricket	Athletics Sports Day
Art	Darwin Develop sketch books to record observational drawings. Sketching Evaluate work using artistic language. Sketching of skulls from varied species	Claude Monet Painting impressions	Portraits in the style of Kahinde Wiley	VR ART GALLERY VISIT	Abstract art in the style of Jamini Roy	Hayao Miyazaki To draw emotions

DT	Wire Sculpture Project Investigate, plan, make and evaluate an inclusive playground made with sustainable materials Join materials with precision using the most appropriate method Make high quality products applying knowledge and understanding to arrange a decorative final piece.	Seasonal Foods Understand seasonality and know where and how a variety of ingredients are grown, rearedm caught and processed. Prepare ingredients hygienically using appropriate utensils. Measure ingredients to the nearest gram accurately. Follow a recipe. Assemble or cook healthy ingredients (controlling the temperature of the oven or hob, if cooking)	Engineering Construction/Materials Select the best material for a task showing an understanding of their working characteristics. Mechanism Investigate, analyse and evaluate existing products. Using a construction kit, investigate combinations to learn about direction and speed	Up - cycling Show! Textiles Investigate, plan, make and evaluate a piece of clothing which represents a significant part of their lives. Explain their inspiration through the need to recycle. Create a pattern for a design.	Great Fordbridge Cake off. Prepare and cook a variety of dishes using a range of cooking techniques Create and refine recipes, including healthy seasonal ingredients, methods, cooking times and temperatures. Understand how a variety of ingredients are grown, reared, caught and processed.	Mechanisms Automata animals Use research and develop design criteria to inform the design of innovative, functional, appealing products that are fir for a purpose and aimed at particular individuals or groups. Generate, develop, model and communicate my ideas through discussion, annotated sketches, cross-sectional and exploded diagrams, prototypes, pattern pieces and CAD. Select from and use a wider range of tools and equipment to perform practical
----	---	---	---	--	---	--

						tasks accurately Evaluate my ideas and products against my own design criteria and consider the views of others to improve my work Understand and use mechanical systems in my products [for example, gears, pulleys, cams, levers and linkages]
Personal Development	Flourishing Futures Extravaganza Theatre trip to Birmingham Aberdovey Residential and Harry Potter World					
Music	Guitar (music service)					
	Film Music			Theme and Variation: Pop Art		
French	Knowledge review	Football champions Sport and the Olympics	Life at Home		Planning a Holiday	Visit to a Town
