FRIDAY 10TH OCTOBER 2025

Dear Parents and carers

Exploring the World Through Virtual Reality

Children across all phases have been diving into new learning experiences using our brand-new set of virtual reality headsets. These have allowed pupils to travel back in time and explore different places around the world—all from the comfort of their classrooms! The excitement and curiosity sparked by these immersive experiences have been fantastic to see.

A Special Visit from Our CEO and Trustees

On Tuesday, we were proud to welcome the Prosper Together MAT CEO and our Trustees to our school. A huge thank you to our Pupil Leadership Team, who not only guided our visitors around the school, but also impressed them with their articulate discussions about oracy and the curriculum. Their confidence and knowledge truly shone! We were absolutely delighted to hear the trustees' comments during their visit. They spoke so positively about how well the children are learning, the excellent quality of work in their books, and the high levels of engagement across the school. You should feel truly proud of every single child – their enthusiasm, focus, and achievements are a credit to them, their families, and our dedicated staff.

Curriculum Information at Your Fingertips

Just a reminder that our full curriculum is available on the school website. It clearly outlines what your child is learning each term. To help you navigate this resource, Mrs. Barlow will demonstrate how to access and use the curriculum information online at our Coffee and Cake Morning next week. We hope to see many of you there!

Thank you for your continued support.
