Celebrating Excellence in Science!

We are thrilled to announce that we have been awarded the Primary Science Quality Mark (PSQM) this October!

This nationally recognised accreditation celebrates our school's commitment to developing excellence in science leadership, curriculum design, teaching, and learning. We are proud to be one of just 310 schools across the country to receive this prestigious award.

A huge congratulations to Mrs. Boswell for her outstanding leadership of science across the school. This achievement is a testament to her hard work, dedication, and passion for inspiring young scientific minds.

We also want to thank our incredible staff team and pupils for their enthusiasm and commitment to making science engaging, inclusive, and impactful.

Here's to continuing our journey of curiosity, discovery, and excellence in science!

Football Team Impresses with Unbeaten Week

On Monday, the 7-a-side football team travelled to St. Anthony's and battled to a hard-fought 1-1 draw.

Jack netted a dramatic last-minute equaliser, following a moment of brilliance from Logan.

The very next day, the team headed to St. John the Baptist and came away with a well-deserved 1-0 victory. Goalkeeper-turned-striker Henry scored the winning goal, and although the performance was strong, the score line could have been far more comfortable had the boys remembered their shooting boots!

Just two days later, the team played their third game of the week, this time against Yorkswood. Despite tired legs, the boys showed great determination and secured another narrow 1-0 win. Team captain Harley scored the only goal of the game, once again assisted by the ever-creative Logan.

It was an impressive week for the team—three games, two wins, and one draw. Well done to all the players for their commitment, teamwork, and resilience!
